

Supplier Information Sheet

New York Automation and Robotics Conference
Hilton Garden Inn, Troy, NY
October 23, 2017

Anticipated attendance: 200-300
Anticipated breakdown: 50% industry, 50% academia & government

You may select:

- 10' x 10' booth
- 6 ft table

Cost for either option is \$500.

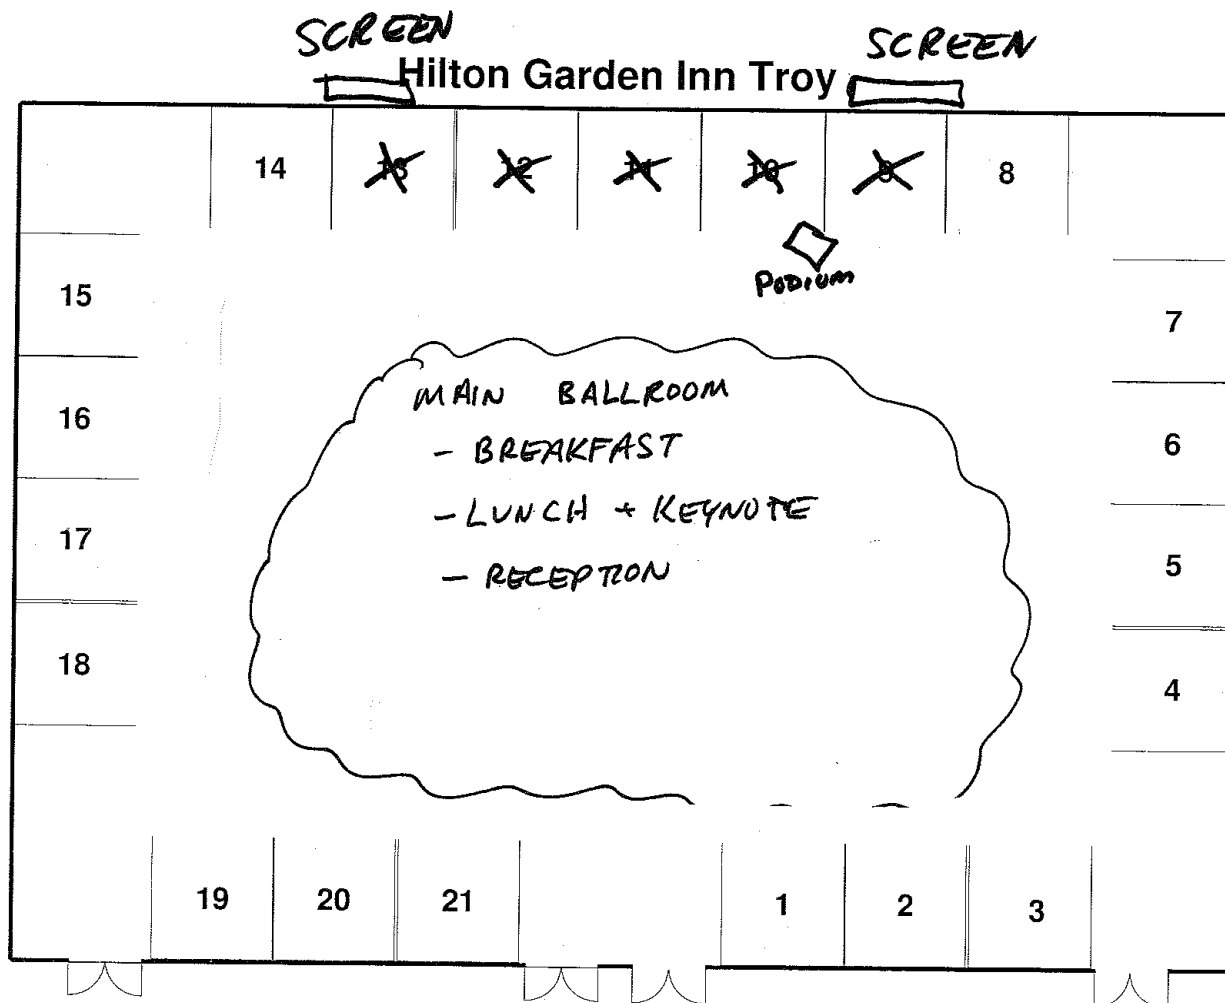

We have space for about 14-25 booths and/or tables depending on the mix. If you need more than 10'x10', please contact CATS.

Prime booth/table locations are inside the main ballroom in the same space where breakfast, lunch keynote and the evening reception will be held. There is also less prime booth space outside the ballroom.

Booths will be assigned on a first-come, first-served basis. Paid booth or table receives up to three registrations. All booths and tables will have power. Tables come with 2 chairs.

A meeting room will be set aside and available all day for private sales presentations. If you would like to reserve a 30 minute time slot in the Supplier Demonstration Room, please contact Glenn Saunders (saundg@rpi.edu – 518-276-6696). Time slots are assigned on a first-come, first-served basis.
